

Information in Accessible Formats – Any information or documents that the Steel Valley Regional Transit Authority makes available to the public must also be available in accessible formats. Information about bus services such as schedules and destinations are available by contacting the Steel Valley Regional Transit Authority by:

Phone: 740-282-6145
Email: contact@svrta.com

Accessible documents are available upon request in various formats such as Braille, CD/disk, recording or via email.
